

# XMS™

GET ALL THE BENEFITS OF MICHELIN®  
RADIAL TIRE TECHNOLOGY!

**With the XMS™, you will get:**

- Extended tire life
- Extra protection in severe operating conditions
- Excellent traction and flotation
- Smooth ride for optimal operator comfort

THE TIRE OF CHOICE FOR:

SCRAPERS

The Michelin® E3 radial tire for large scrapers designed to deliver excellent traction, superior damage resistance and a smooth ride.

**Exceptional Performance:**

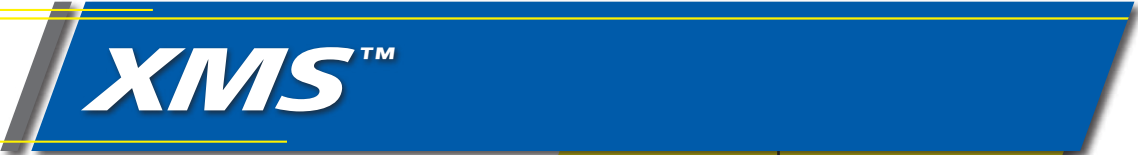

- Excellent traction and flotation; outstanding stability; enhanced operator comfort; less vehicle damage

**Excellent Productivity:**

- Cooler operating temperatures, less susceptibility to damage from impacts and penetrations

**Low Operating Costs:**

- Long-lasting, even-wearing tread pattern; durable with low rolling resistance for efficient fuel economy; easy to repair

SIZE	TREAD DEPTH	
	32nds	MM
40.5/75R39	64	51

**Extended Tire Life**

The innovative tread design has a high lug to void ratio and large contact patch for long tire life.

**Excellent Lateral Grip**

The edges of the circumferential tread pattern offer exceptional lateral grip.

**Optimal Comfort**

Staggered tread blocks provide excellent operator comfort.

**Maximum Resistance to Damage and Punctures**

The square tread contour protects shoulders and sidewalls from damage. The thick rubber bridge at the base of the tread helps increase the strength of the tread blocks for strong resistance to punctures.
